Dear Beneficiary:

A new law says most Medi-Cal beneficiaries who are U.S. citizens or nationals must show proof of citizenship and proof of identity.

Because we can use a birth record as proof of citizenship, we searched for California birth records for everyone in your household.

We found California birth records for the household members identified below:

Beneficiary 1

Beneficiary 2

Beneficiary 3

Beneficiary 4

Beneficiary 6

Beneficiary 7

Beneficiary 9

Beneficiary 9

Beneficiary 10

Beneficiary 11

Beneficiary 12

These people do NOT have to show proof of *citizenship*. But, they still must show proof of *identity*.

If there are other people in your household who are not listed above, they must still show proof of citizenship *and* proof of identity. We were not able to find a birth record for them. We cannot search for birth records for people born outside of California.

If you have questions or need help, contact your local social services office.
